

GYM & WELLNESS GROWTH OPPORTUNITY

Needle-free peptide oral strips + two ways to earn
Made in USA • Individually wrapped • No refrigeration

Turn peptide demand into recurring revenue.

Meet members where performance and wellness intersect.

Riser gives gyms and wellness businesses a premium oral-strip option for members focused on performance, recovery, energy, body composition, sleep and consistency - without injections or refrigeration.

Mouth-to-body delivery

Dissolves on the tongue and is absorbed through the blood-vessel-rich tissue lining the mouth. This route avoids stomach acid and reduces first-pass liver metabolism for the portion absorbed through the oral mucosa.

Two ways to partner

PARTNER - NO INVENTORY

We give your gym or wellness business its own QR link + member code. Members order direct, Riser ships and supports them, and you earn 20% on every order, including reorders.

WHOLESALE - STOCK & SELL

Buy at wholesale and keep the retail margin.

Illustrative Partner revenue
